

### YEAR IN REVIEW

Welcome to Savings Now & Solidarity Forever, the quarterly newsletter of Union Savings. Union Savings is Canada's only not-for-profit, union run, members' benefit program. By leveraging the collective strength of over 1 million union members from 39 different unions, our sole purpose is to negotiate discounts and savings for union members and their families.

2015 was an outstanding year for Union Savings' members. Collectively union members and their families saved more than \$2 million utilizing Union Savings' programs. As we prepare for 2016 we look forward to improving our existing programs, creating new partnerships and saving union members even more money. Our primary focus in 2016 will be to meet with as many local unions as possible so that you have everything you need to ensure that your members are aware of the services they have access to.
